

The background of the slide is a photograph of the California State Capitol building in Sacramento. The building is a large, white, neoclassical structure with a prominent dome. In front of the building, a tall, decorated Christmas tree stands in the center, adorned with many colorful lights. The scene is set during twilight or early evening, with the sky showing a soft blue and purple hue. The building's windows are lit up, and the overall atmosphere is festive and formal.

Urban Water Conservation Report for December 2017

Informational Item 8

February 6, 2018

December 2017 **URBAN USE**

2.9%

WATER SAVED
compared to 2013

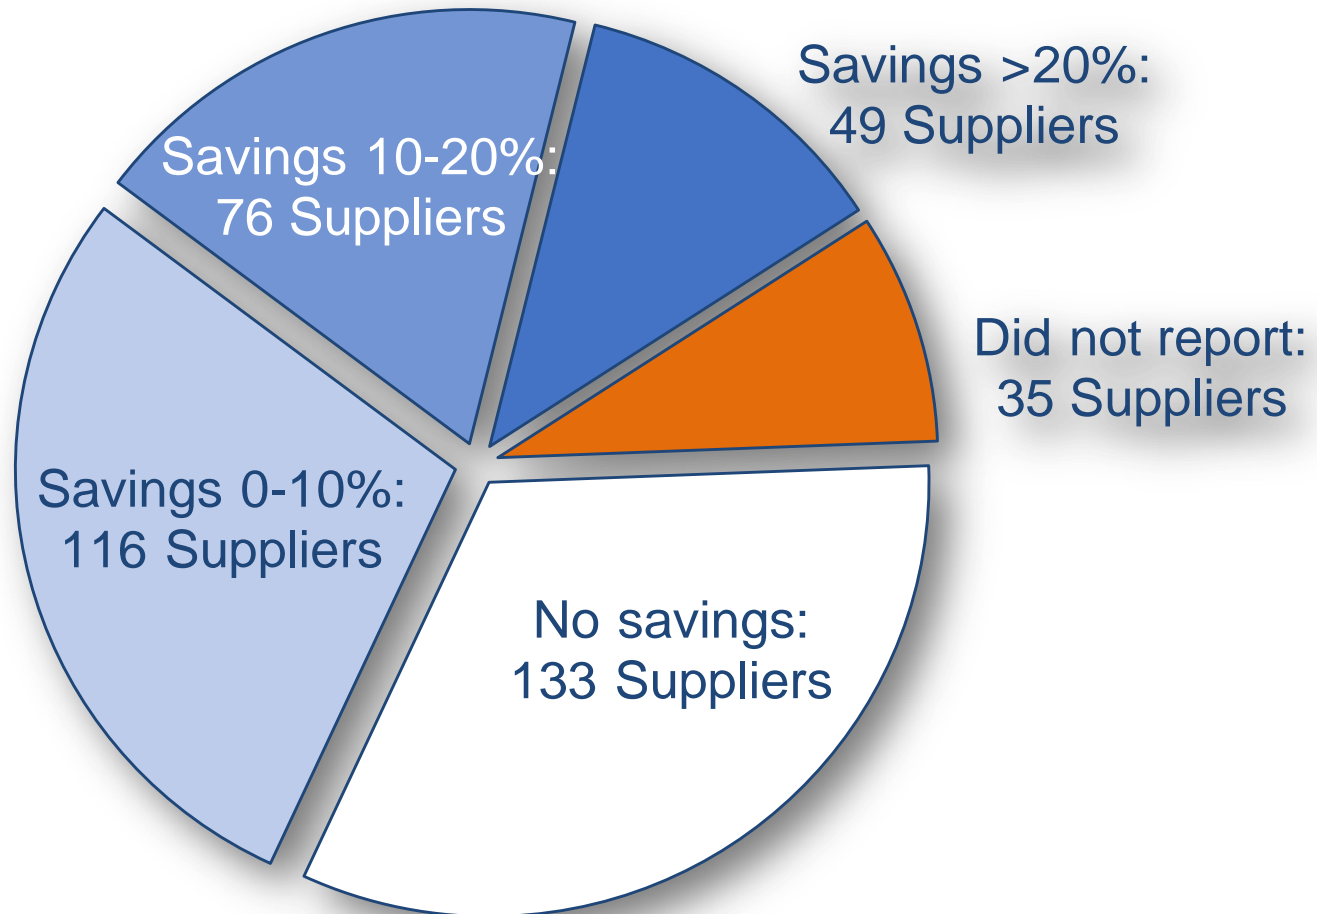

91% of suppliers reporting.

3.7 billion gallons saved
(11,349 acre-feet).

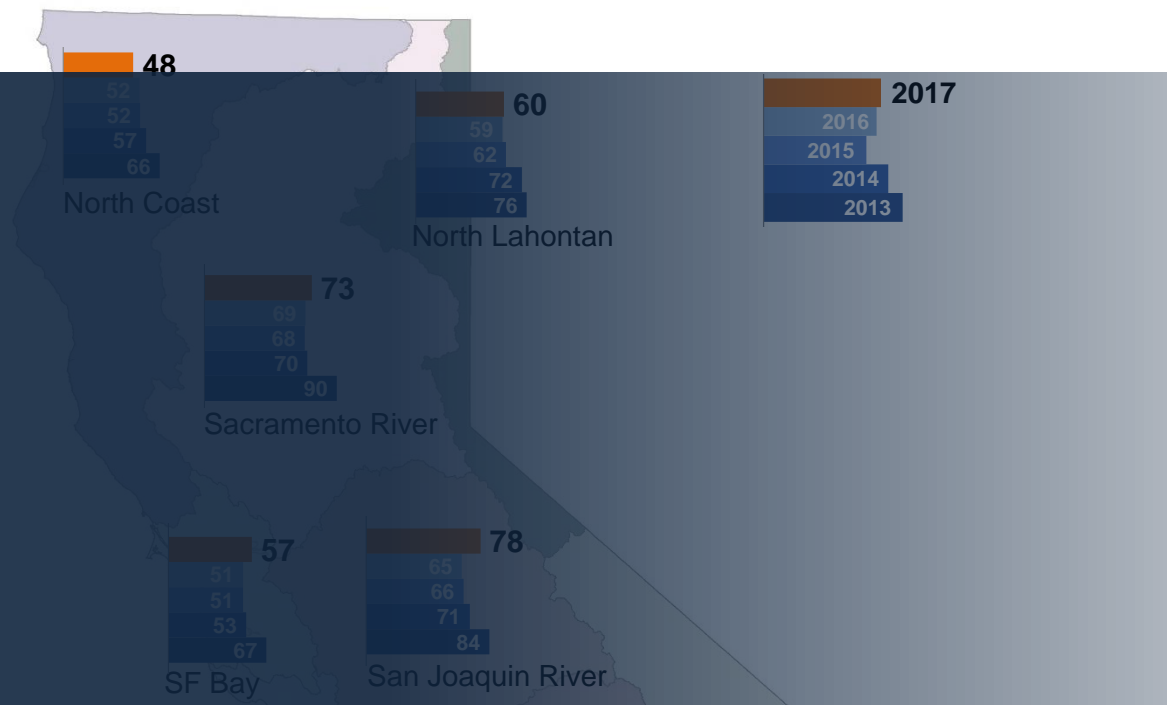

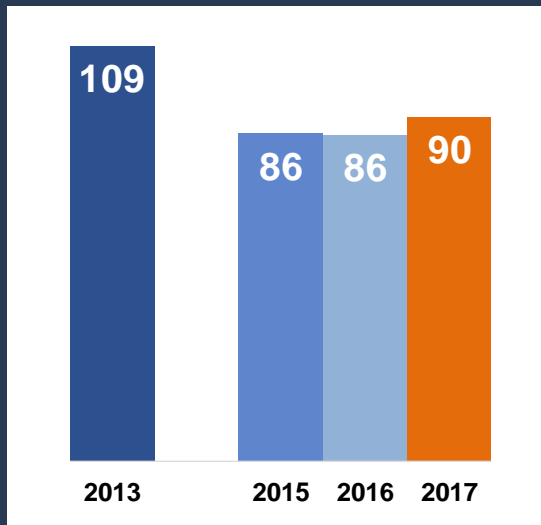

Enough for 57,000 people.

REPORTING Not as Strong

Water Production Up

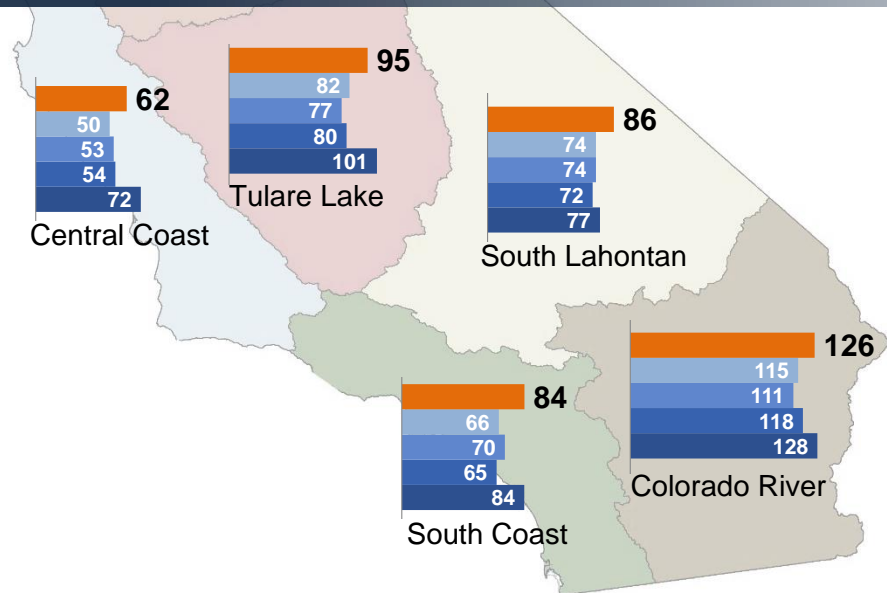

ANNUAL AVERAGE

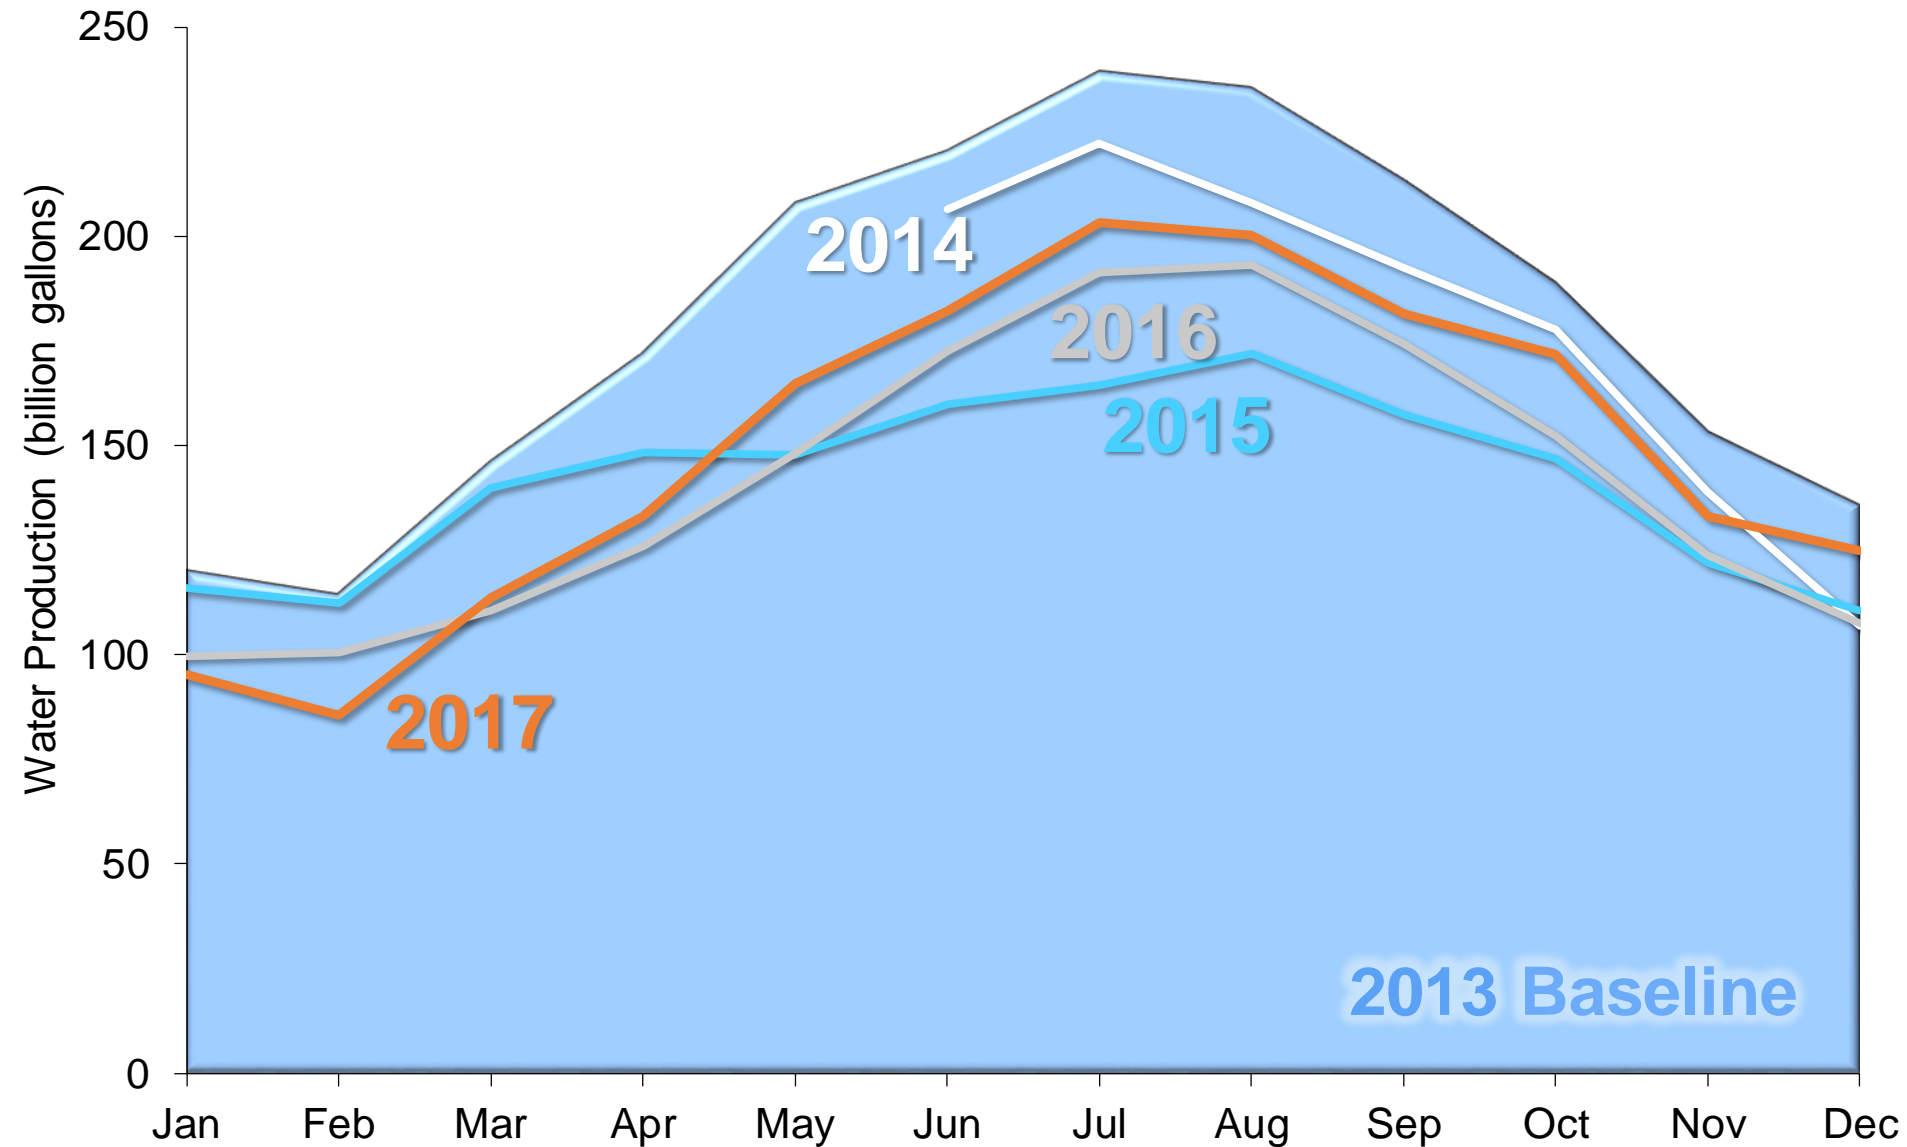

December 2017

78 RGPCD

20% more than last year

California urban water production

Next STEPS

Encourage continued reporting

Active legislation contains language on mandatory monthly reporting

Prohibit wasteful water use practices

Hearing on February 20; comments due February 14:
